SAFETY MEETINGS & CONSULTATION

Trade Safety are focusing on getting improved WHS consultation processes and meetings in place for our clients.

We believe this is possibly the most important thing you can do as part of a businesses WHS system and safety culture. We plan to have a new subscription coming soon for our SharePoint clients that will see a new TBT sent out every fortnight that can be delivered to your workers. The good news, we expect it to be about 30% of the previous cost to you.

SAFE WORK FOCUS

Many parts of NSW are still in disaster recovery and as an employee of a business that may be assisting, it's important you stay safe. If you are planning to work or travel to work in an area that's impacted by flooding, assess the potential for hazardous conditions and what you can do to mitigate that risk.

As an employer, you must reduce the risk of death, injury and illness to yourself, your workers (including volunteers) and others involved in clean-up and recovery activities.

SMART FORMS ARE A POPULAR ADD ON

We are getting heaps of the new smart forms out now as clients are seeing how easy it is to collect data. Most are getting setting up using a QR Code to access the form. We have set up a new Safety Report, Let's Talk! as well. (See Attached) This can be put it up in your workplace so that your workers and visitors can easily report safety issues, hazards or incidents. Give it a test run for yourself and if you want something set up for you business, just let us know.

MULTIPLY ME - VIDEO TRAINING

We have been working closely with Luke and Simone from Multiply Me who have an exciting new Video Training System. This assists businesses of all sizes with much needed training, education and communication solutions that can be repetitive and take up so much time and money. See attached our introduction letter. Its very cool tech for business.

RECENT ACTIVITY

Phoebe and Rusty got to go to the F1 in Melbourne recently. It was a great weekend, with plenty of action and great to see someone other than Mercedes or Red Bull win a race. Congrats to Charles and Ferrari.
